

THE REAL BEAUTY

DAHAYU | PHINISI | LIVEABOARD

DAHAYU PHINISI

ABOUT DAHAYU

In our culture, a name is not simply just a name. It is a long-life prayer provided by our parents. Dahayu means **beautiful**. It is safe to say that Dahayu will add another beautiful experience into your life.

Dahayu is **a traditional wooden "Phinisi" boat**. Phinisi is the best-known Indonesian sailing-vessel and has been known globally for more than a century.

We designed Dahayu simply to **meet your needs, comfort, and safety**. With five bedrooms, Dahayu can transport up to 10 guests on board. Did we mention that each bedroom has their own en suite bathroom?

OUR BEDROOMS

MAIN DECK AREA

ROOM 1

Air conditioning system in the bedroom?

Private en suite bathrooms on each cabin?

Fresh & clean linens?

Relax, we got you.

ROOM 2

OUR BEDROOMS

LOWER DECK AREA

ROOM 3

Our rooms are clean, fresh, & comfortable guaranteed.

ROOM 4 & 5

OUR COZY SPACES

SUNDECK

DINING AREA

LOUNGE AREA

ACTIVITIES

Dahayu is always prepared to take you sailing to the home of the mighty Komodo dragons, one of the **new 7 wonders of nature!**

Islands hopping? Sure! We will take you to witness the breathtaking scenery from the top of Padar island.

What about sunbathing on the **pinky sand beach?** Sounds good?

If that's not enough, maybe you could learn on how to swim elegantly with our friends, the **Manta rays.**

Also, did we mention that you will be swimming accompanied with a lot more magnificent sea creatures and **colorful corals** too?

KOMODO DRAGON

PADAR ISLAND

UNDERWATER SCENERY

FOOD

Enjoying the beauty of the Komodo National Park needs energy.

At Dahayu, we take full responsibility to **keep your belly full** with the **flavorful dishes** that are **freshly cooked** by our chef on board.

CHSE

(CLEANLINESS, HEALTH, SAFETY, ENVIRONMENT)

At Dahayu, we make sure the CHSE **protocols are being strictly implemented.**

- Preparing the clean and **fresh linens** for each trip.
- **Disinfecting every corners** of our rooms & deck areas regularly.
- Preparing the **hand sanitizers** dispensers.
- Ensuring everyone on board is **COVID FREE**, including our crews.
- Ensuring our crews to **use Personal Protective Equipment (PPE)**, such as masks and disposable gloves
